Topics/Events that triggered Hinduphobic Tweets

Hinduphobic tweets this month have revolved around a number of issues: the Nupur Sharma episode and the Udaipur killings; attacks on Nambi Narayanan and actor Madhavan for having portrayed Hindu characters in the movie “Rocketry”; attacks on the judiciary/Supreme Court over their handling of Mohammed Zubair’s arrest; the usual abuse of Hindus as cow worshipers and piss drinkers; and in a few cases justifying the beheading of the Hindu tailor in Udaipur and extending dire physical threats of similar nature. The caste-based abuse of Hindus and attacks on Brahmins were also a major part of the toxic discourse on Twitter in July 2022.

Shudras are more Caste Terrorists than Bamans — AND kill & get killed during “Hindu” - Muslim riots

BUT Shudras behave like Caste &/or Religious Terrorists BECAUSE they are “Kattar Hindus”

Any Kattar Hindu is Brahminical—Mental slave of Brahmins

REAL EVIL remains BRAHMINISM

 **Jeet Singh** @Jeetsin42140640 · Jul 12

Yes sir, caste Hindus (Shudras) are more castiest....
Now a days Dalits face caste discrimination strict in Shudras' houses and mild in brahmins' houses.
Shudras are claiming to be neo-kshatriyas and assume Dalits to be their subject.

It's their to protect only the brahmins interests & to make sure the masses NOT to revolt against the brahmin ruling class by providing some crumbs & pretend that it's there for "justice" when in fact the brahmin judges never even hesitate to uphold brahmin manu rule anytime.
